|--------------------|------------------------------------|
| <b>Name</b>        | Bong Eun Lee                       |
| <b>Affiliation</b> | Pusan National University Hospital |
| <b>Country</b>     | Republic of Korea                  |
| <b>Major Field</b> | Upper GI diseases                  |

### Educational Background

1998.3-2004.2 Pusan National University College of Medicine (M.D.)  
2005.3-2009.2 Pusan National University Postgraduate School (Master Degree)  
2012.3-2014.2 Pusan National University Postgraduate School (Ph.D)  
2020.3-2021.2 Research Fellow, Stanford University, USA

### Professional Experience

#### Professional Experience :

2010.3-2014.2 Clinical Assistant Professor, Pusan National University Hospital  
2014.3-2015.2 Clinical Associate Professor, Pusan National University Hospital  
2015.3-2020.2 Assistant Professor, Pusan National University Hospital  
2020.3-present Associate Professor, Pusan National University Hospital

#### Professional Organizations :

Member of Scientific Committee, The Korean Society of Gastrointestinal Endoscopy  
Member of Scientific Committee, The Korean College of Helicobacter and Upper Gastrointestinal Research
